

MISHAWA CAMP FIRE GIRLS MARK FOUNDING

City-Wide Council's Observance Will Open.

A full week of special events is planned by the Mishawaka Camp Fire Girls as they join Camp Fire councils throughout the United States in celebration of the 32d anniversary of the organization. Activities will begin at a city-wide council fire at 7:30 p.m. Tuesday in Mishawaka High school. During the 32 years of its existence millions of girls have grown up in Camp Fire. The Mishawaka council has grown from a few scattered groups in 1926 to 650 members in 1944 with 32 active groups and three in the process of organization.

The theme of the council fire Tuesday night will be "Serve by Sharing," and those who have completed the birthday project will receive awards. The Wahanka group under the leadership of Mrs. P. L. Willingham and Mrs. B. R. Smith will present a dramatic interpretation of the project. A Camp Fire choir, under the direction of Mrs. B. J. O'Brien, will sing. Certificates of rank will be awarded by Mrs. Glen S. Hess. Acknowledgment of the earning of bonds from the Camp Fire ambulance plane will be made by W. W. French, president of the local council.

Wednesday will be middy day and Camp Fire girls, Blue Birds and Horizon club members will wear their service costumes to school. On Sunday Camp Fire Girls will attend mass in their churches or the vesper service in First Presbyterian church at 4 p.m. next Sunday. Rev. John H. Meengs, Ph.D., pastor, will deliver a sermon and the Camp Fire choir will sing. A candle-lighting ceremony at the vespers will conclude the birthday week activities. Parents and friends may attend the council fire and the vesper service.
