

## CAMP FIRE GIRLS BEGIN ANNUAL OUTING SUNDAY

More than 400 Mishawaka girls will have the privilege of enjoying camping experiences during the next two months at either the Mishawaka Camp Fire girls camp to be held at the Boy Scout camp at Stone lake, Lagrange county, Indiana, or at the day camp to be conducted in Castle Manor in Merrifield park. Miss Virginia Gardner, executive secretary of Mishawaka Camp Fire girls, has announced that final plans will be made within the next few days for the opening of both camps next week.

Staff members and camp committee members will arrive at Stone lake Saturday to organize equipment and supplies and to attend a pre-camp training course from Saturday until Tuesday. The first group of campers will arrive next Wednesday afternoon for a 10-day period. One-week periods will extend through July 24.

An eight-week season will open next Monday in Castle Manor. Camp will be conducted each Monday, Wednesday and Friday through Aug. 6, with Miss Ila Wood, a teacher at Battell school, in charge. She will be assisted by Camp Fire, Blue Birds and Horizon club leaders.
