The Organization recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Examples of tax positions include the tax-exempt status of the Organization and positions related to the potential sources of unrelated business taxable income. Management has not identified any uncertain tax positions taken or expected to be taken in a tax return, and there are no unrecognized tax benefits recorded as liabilities in the accompanying financial statements. The Organization classifies interest and penalties, if any, associated with uncertain tax positions as a component of income tax expenses. There was no accrued

Campership applications are reviewed on a rolling basis, starting in February. They are reviewed by the Camp Director and Assistant Director. We ask families to indicate how much they feel they are able to contribute towards their campers' attendance, and try to make up the difference using campership funds. We generally are able to meet about 90% of their need. Eligibility is primarily based on free and reduced lunch eligibility; however, if a family is not eligible for free or reduced lunch, we will take into consideration other factors, such as family member illness, special needs, etc. A letter is mailed to the parents letting them know about the decision, with instructions on how to register for camp, and how much they will be required to pay.
