

LEADER URGES GIRL TRAINING

Pointing to the need of character training for girls despite economic changes, Miss Edith Kempthorne, national field secretary of the Camp Fire Girls' organization, addressed four separate groups at a series of meetings Tuesday.

She addressed 25 members of the local board of sponsors and guardians' association at a dinner meeting Tuesday evening in the First Methodist Episcopal church, at which time H. M. Beamer, president of the board, served as toastmaster. Greetings to Miss Kempthorne were given by Mrs. Kathleen Armstrong, South Bend executive.

A miniature camp fire institute was held by Miss Kempthorne later in the evening for 27 guardians in the Mishawaka Woman's club home on Lincoln Way East.

National policies and work of the Camp Fire organization were described before members of the Exchange club in the Hotel Mishawaka at noon and before an assembly for girls in the Battell school auditorium in the afternoon. Miss Opal Thompson served as mistress of ceremonies at the assembly.
