

### Camp Fire.

Picnics, overnight hikes, wiener roasts and this warm weather seem to go hand in hand. Iwandag has planned to go to the Blair cabin in the hills for an overnight hike. Main Cheschamay will take one at the reservation. Every group has reported some sort of hike or picnic in the last three weeks. The Tulip bluebirds had 26 members present at their wiener roast at Merrifield park. Dakonya had a wiener roast at North Side park. The Netopew group hiked to the hills and Nisimaha hiked to Kamm island park for a marsh-mallow toast. Nosiwo is planning an overnight hike. The Bluebell bluebirds hiked to the hills for their last meeting. Fulmer Cheschamay and the groups at Kennedy school plan to have a joint picnic at Potawatomie park next week.

Iwandag is making plans for the girls working on firemaker rank to serve their second meal to their fathers. These girls served a dinner to their mothers recently. Nosiwo had a swimming party at the natatorium at their last meeting. They had several guests, the Misses June Guin and Peggy Wilklow. Wunnegen gave a lovely tea at headquarters for their mothers. Each mother was presented with a rose. Isabelle Clark, Patsy Forbes and Pearl Myers presented a program. Members of the group served in bright peasant costumes. Dakonya had a swimming party at the natatorium and received instructions in elementary swimming and diving. The next meeting of Nosiwo will be a "manual" party. The girls had a rummage sale and earned enough to buy manuals for all the paid members of the group.

In less than one month Camp Mishawaka will be in full swing. Your registrations must be in by June 6 to receive the special low rate. There are only 64 places each week. Camp cards and folders telling all about the camp particulars will be mailed to you this week. The first period begins Sunday afternoon, June 21, and ends before noon Saturday, June 27. The second period begins at noon Sunday, June 28, and ends before noon Saturday, July 4. The last period begins at noon Sunday, July 5, and ends before noon Saturday, July 11. A complete Camp Fire and bluebird program is made out. Athletics, crafts, etc., for older girls will be separated from those for younger girls. Come to silver jubilee camp in 1936 for adventure, good food, swims, games, leadership, sports, advancement, camp fires, stunts, crafts, nature work, hikes, song-fests, camping, health, fellowship, archery, surprises, volleyball, baseball, badminton and fun.

WILMA REA,  
Executive Secretary.
