FIRST CAMPER SIGNED; HOPES FOR DEEP SNOW

Miss Jeanette Shearer, 1706 Caroline street, a member of the Camp Fire Girls' group at Lincoln school, hopes for deep snow by Christmas.

She is the first South Bend

~~Camp Fire girl to sign for the winter camp to be held during the holidays at Tannadoonah, Birch lake, near Vandalia, Mich.~~

Tannadoonah's rolling hills and waterfront give opportunities for all winter sports when there is snow. Twenty girls aged 14 or over will coast, skate and ski and spend the evenings around the fireplace. Miss Dorothy E. Brown, executive secretary, will direct the camp.
