

Camp Tannadoonah Camper COVID-19 Tracker

To help reduce the COVID-19 risk for the entire Camp Tannadoonah community, we are requesting that all campers monitor symptoms related to COVID-19, and log their temperature for 14 days prior to arriving at Camp Tannadoonah. You may fill out this form, or complete the online tracking log. Please log as many days as possible in the 14 days leading up to your camper's arrival at camp.
