

2023-2024 Camp Fire Participation Agreement

I, in my legal capacity as the parent/guardian of this minor student, acknowledge and agree that any use of Camp Fire facilities, services, equipment and premises and any participation in programs and activities comes with inherent risks including, but not limited to: potential for physical injury, communicable illness, or death.

I understand that reasonable measures will be taken to ensure the safety and health of my child, and that I will be notified as soon as possible in case of an emergency. If I, or my child's other emergency contacts, cannot be reached in an emergency, I give my permission to the Camp Fire staff to follow the recommendations of medical professionals and secure proper treatment for, and approve hospitalization, injection, anesthesia, or surgery for my student. I understand the information in my student's health form will be shared on a need-to-know basis with Camp Fire staff.

My child has permission to participate in the Camp Fire programs as described on the Camp Fire website and in the parent guide. If my child has a special diet, any disability, or other special needs, I will contact the Camp Fire office at least one week prior to my child's attendance in the Camp Fire program.

I understand that acceptance into, and continued participation in, all programs is conditional upon behavior according to the rules of the program

Tuition and Attendance Policy for Camp Fire Extended Day

- Per GSMS policy, any student who is not picked up from school **by 3:10pm** will be brought to extended day. We will bill your account for a drop in day if the school staff brings them to extended day, even if it is just for a short time.
- Regularly scheduled days are \$8.50 per day. As long as we know your child's schedule by 3pm on the preceding Friday, their attendance will be billed as scheduled days. You always have until 3pm Friday to make changes to your regular schedule; after 3pm on Friday you will be billed for the upcoming week based on your normal schedule.
- You will receive a weekly (or monthly, if you choose monthly billing) email on Thursday mornings with a reminder about the upcoming week's schedule and the amount to be billed. **You do not need to do anything with this email unless you want to make changes to the upcoming week's schedule!** If we don't hear from you by 3pm Friday, we will automatically bill your card for the schedule reflected in that Thursday email.
- We require every family to have a valid card on file for billing. We can get this card information from you in two ways: 1) you can pay the first invoice from Square and choose the option to save your card on file (that's much easier!), or 2) we can send you a form to fill out, and we will enter your information into our billing system. If your card expires, it is your responsibility to notify us or update the card in Square. **If your card is declined, we will charge a \$5 per week late fee until the invoice is paid. Your student will not be able to attend Extended Day until we have received payment for the outstanding balance and have a valid card on file again.**
- Any day a student attends that is not on your regular schedule (or that we didn't know about by the previous Friday at 3pm) will be billed as a drop in day. **Drop in days will be \$11 per day.** If you completed the registration forms and paid the annual registration fee before the first time your child attends, you will have 2 free drop in days on your account.

I have read and accept the terms and conditions of this agreement. I, on behalf of my minor student, accept the inherent risks of participation in this program. I agree that I have full knowledge of the nature and extent of such risks and am not relying on all such risks being detailed in this document. I have read all of the information provided to me by Camp Fire, in the Camp Fire Parent Guide and the Camp Fire website.
